Job Announcement

Hyde County Health Department

Position: Public Health Nurse II
Position No. 481-50-152
Salary Range: \$38,664 - \$49,297

Description: The primary purpose of this position is to coordinate agency and workforce all-hazards preparedness, as well as manage the Breast and Cervical Cancer Control Program (BCCCP), including Pap smear follow-up for all agency programs. Responsible for updating agency public health preparedness/bio-terrorism response plans, as well as community awareness and education regarding prevention and safety measures related to public health preparedness and response.

Work Schedule: Hours are primarily Monday through Friday 8:00 a.m. to 5:00 p.m. with one hour for lunch. Night and weekend clinics are held if the need arises. In times of disasters, public health nurses employed by Hyde County must provide health services in post-event shelters. In the event of a public health outbreak, pandemic illness or terrorism event, this position would adjust work hours as needed to implement and operate in accordance with the event containment protocols and plans.

Minimum Training and Experience: Graduation from an accredited school of nursing with two years of professional nursing experience including one year in public health; or an equivalent combination of training or experience. If one year of public health nursing experience is not present, completion of the course, *Introduction to Principles and Practices of Public Health Nursing*, must be done within one year employment.

Special conditions for employment: Prior to employment, the successful applicant will be asked to submit to pre-employment screenings. Applicants must possess a valid NC driver's license.

Deadline for submission of application: July 15, 2011
